volume 1 on public law provides an introduction to the nigerian legal system the various chapters deal with introduction and sources of law jurisprudence and nigerian perspectives african customary law islamic law comparative constitutionalism and nigerian perspectives citizenship immigration and administrative law judicial system and legal profession criminal law evidence and civil procedure statutory marriage and divorce laws customary marriage and divorce marriage and divorce under islamic law matters of children gender and law in nigeria with emphasis on islamic law volume 2 has 25 chapters on private law that includes security of the environment and environmental law land and property administration commercial business and trade laws communication media and press laws transportation and carrier laws law enforcement armed forces and military laws investments and intellectual property

all england law reports noted against halsbury s laws of england table pub oct 23 and dec 4 1952 and thereafter in the 1st report of each month cf announcement oct 23 1952

originally published in 1951 nigerian land law and custom now with a new preface by olusoji elias the first of its kind is an excellent comparative study of the whole system of land tenure in nigeria there are of course a few anthropological attempts almost invariably designed as or inspired by government reports on some specific areas of the country and their aim is therefore often administrative or fiscal this book is accordingly an attempt to create a legal order out of the chaos of lay approaches and to examine and systematize as far as possible such principles of indigenous tenure as are discernible in available materials in the light of the growing body of case law this book will be of value to students and researchers of african law and custom and of comparative jurisprudence

originally published in 1954 and here reissuing the second edition of 1963 the nigerian legal system now with a new preface by olusoji elias is an account of the history of the courts the sources and general principles of law in nigeria it

discusses the applications of the English doctrine of judicial precedent the relationship of English law to customary law and the limits within which English and Nigerian conceptions of contract tort crime land tenure and personal relations operate the author also deals with the local administration of the law the intercourse between the bench and the bar and not least the future of Nigerian law this valuable book is of use to students of African studies and lawyers who in their work have dealings with the countries of Africa it first appeared under the title *Groundwork of Nigerian Law* but the present title is a more apt description of the content a number of textual errors have been corrected and large sections have been entirely re-written or expanded in order to bring the book up to date

the book offers additional reading in areas not covered by existing texts on Nigerian law and will be useful not only to students but to practitioners and researchers seeking information on aspects of Nigerian law the beauty of themes on the Nigerian legal system lies in two most appealing facts one that it is a contribution from learned authors who are not only specialists in the specific area of Nigerian law but may also be found in institutions of learning throughout the length and breadth of the country and two the authors have written in simple easy to understand language and we hope this will help this book is highly recommended

the book examines the law of adverse possession in both the UK and Nigeria and gives a critique of the ways in which it is regarded by both the state and the judicial system in these jurisdictions although much has been written about adverse possession from an Anglo-American perspective the Nigerian aspect of this book is unique and brings an important point of difference when thinking about the right to settle work and own land in an international arena this book will be of interest to students of law especially comparative and property law to scholars and activists with an interest in land settlement by indigenous and dispossessed peoples a useful guide for the court in the dispensation of justice and a pilot for the state in managing property relations

includes annual review of legislation covering the years 1859-1949
